Mr. Sweeney, Secretary of the Abatement Appeals Board  
cc: John Hinchion

This is a request for continuation for the Abatement Appeals Hearing scheduled for July 18th 2012.  
I received the Notice of Hearing on July 6th and departed for a previously scheduled vacation on the July 7th. I will not return until after the hearing.

Please grant my request for continuance as I will not be available to represent my client.  
Please send me and email confirmation as I will be checking emails periodically.

Sincerely,  
Leo McFadden
