

NOTICE OF COMPLIANCE CHANGES ACCESSIBLE BUSINESS ENTRANCE

Dear Property Owner/Agent

The Accessible Business Entrance Program, as established by Ordinance No. 51-16, helps property owners better comply with existing State and Federal accessibility laws. Also, it helps people with disabilities gain greater access to goods and services offered by businesses and organizations. The ordinance requires that existing buildings with a place of “public accommodation” have all primary entrances from the public way be accessible for people with disabilities. Our records indicate that your propert(ies) may fall under this program.

Under state and federal law, a place of “public accommodation” is generally a business where the public will enter a building to obtain goods and services, such as banks, day care centers, hotels, offices, restaurants, retail stores, etc.

CHANGES TO ORDINANCE NO. 51-16 - EFFECTIVE AS OF JUNE 1, 2018

1. Extend all compliance deadlines by six-months resulting in the first deadline of January 1, 2019.
2. Eliminate the administrative fee of \$97.
3. Require property owners to provide a 30-day notice to building tenants prior to filing the permit application.
4. Qualify buildings under Category 1, if any of the following descriptions apply:
 - a. building owners mandated to meet earthquake retrofit electing to comply with this ordinance’s requirements prior to this Program’s compliance deadlines.
