2. **RFQ Questions and Answers**

**Question #1:**
*Is this RFP opportunity only for tenant nonprofits? Or is there a component for the property management side?*

A. **Description of Services, page 3:**

1. Specific tenant outreach for the purpose of community stabilization that includes, but is not limited to, street outreach, door-to-door outreach and leaf-letting in all types of public housing and HUD-funded residential buildings;

2. Individual tenant counseling including, but not limited to, needs assessment, housing retention plan, general advocacy, tenant meetings, referral and housing counseling;

3. Community programs including, but not limited to, tenant rights workshops and leadership development training meetings. The target population is very low-income, elderly, and disabled tenants living in HUD-funded and public housing;

3. Substandard conditions in public housing and HUD-funded properties shall be referred to DBI staff, and program staff will collaborate with DBI to alleviate such conditions.

**Question #1 Answer:**

Yes, this RFP opportunity is for tenant non-profits.
