4. **LBE Participation and Rating Bonuses**

The City strongly encourages Responses from qualified LBEs. Pursuant to the LBE Ordinance (Chapter 14B of the City Administrative Code), the following rating bonus will be in effect for the award of this program for any Respondents who are certified by CMD as an LBE, or joint ventures where the joint venture partners are in the same discipline and have the specific levels of participation as identified below. Certification applications may be obtained by calling CMD at (415) 581-2310 or online at [www.sfgov.org/lbecert](http://www.sfgov.org/lbecert). The rating bonus applies at each phase (written proposal evaluation and interview stage) of the selection process. The application of the rating bonus is as follows:

1. A 10% bonus to a Small or Micro LBE—including Non-Profit; or a joint venture between or among LBEs; or
2. A 5% bonus to a joint venture with LBE participation that equals or exceeds 35%, but is under 40%;
3. A 7.5% bonus to a joint venture with LBE participation that equals or exceeds 40%;
4. A 10% bonus to a certified non-profit entity; or
5. A 5% bonus will be applied to any response from a SBA-LBE, except that the 5% rating bonus shall not be applied at any state if it would adversely affect a Small or Micro-LBE Respondent or a joint venture with LBE participation.

**Joint Venture Rating Bonuses** – If applying for a LBE rating bonus as a joint venture: The LBE must be an active partner in the joint venture and perform work, manage the job and take financial risks in proportion to the required level of participation stated in the response, and must be responsible for a clearly defined portion of the work to be performed and share in the ownership, control, management responsibilities, risks, and profits of the joint venture. The portion of the LBE joint venture’s work shall be set forth in detail separately from the work to be performed by the non-LBE joint venture partner. The LBE joint venture’s portion of the contract must be assigned a commercially useful function. The joint venture partners must be of the same or similar discipline in order to be eligible for a rating bonus. The joint venture partners will be jointly responsible for the overall program management, control and compliance with Chapter 14B requirements.

SBA firms will get a 2% bid discount, to be applied only if it does not adversely affect the small and/or Micro LBEs.
