TITLE 24 ENERGY INSPECTION – FINAL COMPLIANCE LETTER SUBMITTAL PROCESS

Use the following instructions as a guide to assist with preparing a Final Compliance Letter (Affidavit) to clear Title 24 Energy Inspections prior to obtaining a final inspection.

1. **Read** M-06 Information Sheet (attached).
2. **Locate** the forms needed for your project by doing one of the following:
 - a. **Review** the Title 24 checklists located on the plans OR
 - b. Search online www.sfdbi.org
Follow these steps:
 - i. Click on Permit Services >Track Permits and Complaints >Search for documents by Permit Application Number (e.g. 2015XXXXXXXX)>Select Building Permit (Application) Number>Select Show Site Permit Details.
 - ii. Scroll to the bottom of the page and to locate the Special Inspections section with a list of Energy Forms that are required for your permit.
3. **Print** the relevant certificates from <http://energy.ca.gov/title24/2013standards/>, complete and sign them (See M-06 for more details).
4. **Prepare** a final compliance letter. We recommend you use the sample letter on Page 2 as a template.
5. Email the **Final Compliance letter** to dbi.energyinspections@sfgov.org. Do **not** submit the Energy Certificates. Please allow 10 business days for your letter to be reviewed by the assigned Inspector.
6. After 10 business days you may check online to see if your Title 24 Energy Inspections were cleared by following the steps listed in item #2b of these instructions. If approved, there should be a date in the “*Completed Date*” column and initials of a Building Inspector in the “*Inspected By*” column. For example,

Special Inspections:

Addenda No.	Completed Date	Inspected By	Inspection Code	Description	Remarks
0	6/9/2015	ABC	AEI	LIGHTING CONTROLS – NRCA-LTI-02-A
