

Edwin M. Lee, Mayor Tom C. Hui, S.E., C.B.O., Director

Earthquake Evaluation of Private School Structures

SCOPE REPORT - NO FEE

San Francisco Building Code Section 3428 requires the seismic evaluation of certain school buildings and non-building structures and submittal of reports to the Department of Building Inspection. This template should be used to comply with Section 3428.3, which requires submittal of a document "listing each structure to be evaluated, the evaluation objective to be applied, and other information requested by the Department."

The deadline for submitting this Scope Report is ***, 2015. Submit the completed Scope Report either:

- As a pdf attachment to *** @sfgov.org, with "Private School Scope Report" in the subject line, or
- As a hardcopy by U.S. mail to Private School Seismic Evaluation Program, Department of Building Inspection, 1660 Mission Street, San Francisco, CA 94103

Mission Street, San Francisco, CA	A 94 103			
Does this Scope Report replace or supplem	ent a previously submitted Scope Report for tl	he same school?	<u>Yes</u>	<u>No</u>
